Into the carriage two by two
Hold on tight that's what you do
Off into the tunnel dark and black
Is it too late to - go back

Nothing happens for a mo
Suddenly shapes start to grow
Coming straight for us with a grin
A skeleton's head with an - axe in

Come on get aboard the ghost train
Get ready for a scare
Come on get aboard the ghost train
Ride it if you dare

Further round the corner something moves
Horrible laughing and horse's hooves
Getting nearer moving fast
The headless horseman - rides past

Come on get aboard the ghost train
Get ready for a scare
Come on get aboard the ghost train
Ride it if you dare

From the darkness comes a moan
Something tells me we're not alone
It's the bit that I hate most
There it is - a ghost

Come on get aboard the ghost train
Get ready for a scare
Come on get aboard the ghost train
Ride it if you dare
