Chorus

**Hubble bubble toil and trouble  
All the witches say  
Mixing up a potion  
In their witchy way**

**Eye of newt and hemlock juice  
Put a pinch of salt in  
Boil it up for half an hour  
It will be revoltin'**

**Leg of frog and wing of bat  
Stir in dragon's teeth three  
Fry it up for half an hour  
And serve it for my tea**

Chorus x 2

**Spider's web and spider's leg  
Just a dash of rat blood  
Cook it up for half an hour  
Yummy it tastes real good**

**Toenails from a vampire bat  
For flavour werewolf hair's best  
Lightly steam for half an hour  
That'll put hairs on your chest**

Chorus x 2

**Here's a list of things you need  
A cooking pot oh yes indeed  
One big spoon and if you've room  
Jars and jars of centipede**
