## Trick or Treat

Every year on Halloween  
All the children can be seen  
All in fancy dress  
Ready to distress  
Will the folks be nice or mean?

Some are dressed like witches do  
Some look like a ghost or ghoul  
Mummies from a tomb  
Monsters in the gloom  
You never know just who is who

Chorus

Trick or treat  
Be naughty or be nice  
Trick or treat  
Be quick now don't think twice  
Give us a treat and we will sing to you  
This lovely song  
Treat us bad and we will trick you  
All night long

Walking round the streets at night  
They would give a ghost a fright  
Knocking on each door  
You better not ignore  
The trick or treaters are a sight

Chorus x 2
