'H' for Hunter the Hero

Hunter is a hero who hopes to help you all
If you are hurt or helpless, he will hear your call
Horrible things can happen to cause you much alarm
But he will happily hurry to save you from all harm.

Hunter rides a horse and wears a helmet on his head
He is hard and he is handsome and never goes to bed
He can hold heavy hammers or hook something that's hot
Climb up hills and hang down holes. Is he scared? No, he's not!
