The Animals Went In Two By Two

The animals went in two by two, hoorah, hoorah
The animals went in two by two, hoorah, hoorah
The animals went in two by two, the elephant and the kangaroo
But they all went into ark, for to get out of the rain

The animals went in three by three, hoorah, hoorah
The animals went in three by three, hoorah, hoorah
The animals went in three by three, the wasp, the ant and the bumblebee
But they all went into ark, for to get out of the rain

The animals went in four by four, hoorah, hoorah
The animals went in four by four, hoorah, hoorah
The animals went in four by four, the great hippopotamus stuck in the door
But they all went into ark, for to get out of the rain

The animals went in five by five, hoorah, hoorah
The animals went in five by five, hoorah, hoorah
The animals went in five by five, they warmed each other to stay alive
But they all went into ark, for to get out of the rain

The animals went in six by six, hoorah, hoorah
The animals went in six by six, hoorah, hoorah
The animals went in six by six,
they turned out the monkey because of his tricks
But they all went into ark, for to get out of the rain

The animals went in seven by seven, hoorah, hoorah
The animals went in seven by seven, hoorah, hoorah
The animals went in seven by seven,
the little doggy thought he was going to heaven
But they all went into ark, for to get out of the rain

This little piggy went to market
This little piggy stayed at home
This little piggy had roast beef

And this little piggy went, weee, weee, weee
All the way home

This little piggy went to market
This little piggy stayed at home
This little piggy had roast beef
But this little piggy had none
And this little piggy went, weee, weee, weee
This little piggy went, weee, weee, weee
Weee, weee, weee, all the way home

This little piggy went to market
This little piggy stayed at home
This little piggy had roast beef
But this little piggy had none
And this little piggy went, weee, weee, weee
This little piggy went, weee, weee, weee
Weee, weee, weee, all the way home

Baby Animals

Baby animals, baby animals
Oh, they come in many shapes and sizes
Little furry ones and
Hairy, scary ones and
How we love them, oh, it's no surprises

Baby animals, baby animals
Wide eyed delectable, we can't resist them
If they're five feet tall or
Scrumptious, gorgeous small
We'd scoop up them all
And hug them, hug them

Baby animals, baby animals
Our precious pets or out in the big old world they're
All so wonderful
Fun filled bundlesful
Cute and cuddleful
We love them, love them

Baby animals, baby animals
Oh, they come in many shapes and sizes
Little furry ones and
Hairy, scary ones and
How we love them, oh, it's no surprises

Baby animals, baby animals, baby animals, baby animals, yeah

Three little mice will play

Three little mice go out to play
They squeak out EE EE all day
It's time for one to go away
Two little mice will play

Two little mice go out to play

It's time for one to go away
One little mouse will play

One little mouse goes out to play

It's time for him to go away
No little mice will play

But let the little colt go

Crabby Crab

There once was a very crabby crab
He would grab me by the toe
And every time that he did it
Oh, how it hurt me so
So I, decided I would catch him
With my bare hands
But every time I tried to do it
He'd burrow in the sand

(repeat)

Quack Quack

Down by the river in the reeds
One little duck, 'quack, quack', at me
'Quack, quack, quack', so happily
For all to see

Down by the river in the reeds
Two little ducks, 'quack, quack', at me
'Quack, quack, quack', so happily
For all to see

Down by the river in the reeds
Three little ducks, 'quack, quack', at me
'Quack, quack, quack', so happily
For all to see

Down by the river in the reeds
Four little ducks, 'quack, quack', at me

Tiger Tiger

Tiger, tiger, creeping through the jungle
Tiger, tiger, creeping up on you
Will you hear him, as he's getting nearer?
When he growls, what will you do?

Run, run, run, run
Run away from him

Tiger, tiger, creeping through the jungle
Tiger, tiger, creeping up on you
Will you see him, as he's getting nearer?
When he pounces, what will you do?

Run, run, run, run
Run away from him

But, goodness gracious
What a nose!

(repeat)

Spinning Around The Spider's Web

A little spider, peeping out
Of a tree, or the water spout
Seven legs in and one leg out
You were scared, it made you shout
Spinning round, spinning round
The spider's web
Spinning round, spinning round
His spider's web

Suddenly he finds himself falling down
His fine and silken thread
Will he make it up again
To his new spun bed

A little spider, peeping out
Of a tree, or the water spout
Seven legs in and one leg out
You were scared, it made you shout
Spinning round, spinning round
The spider's web
Spinning round, spinning round
His spider's web

Three Blind Mice

Three blind mice, three blind mice
See how they run, see how they run
They all run after the farmer's wife
Who'll cut off their tails with a carving knife
Did you ever see such a thing in your life
As three blind mice?

(repeat)

Every animal that's ever be made

Parading by
It will look spectacular
Especially if you have an eagles eye

Come and join the animal parade
Every animal that's ever be made
You can be a part of it for all to see

Three Little Monkeys Jumping On The Bed

Three little monkeys jumping on the bed
One fell off and bumped his head
Mummy phoned the doctor and the doctor said
“No more monkeys, jumping on the bed”

Two little monkeys jumping on the bed
One fell off and bumped his head
Mummy phoned the doctor and the doctor said
“No more monkeys, jumping on the bed”

One little monkey jumping on the bed
He fell off and bumped his head
Mummy phoned the doctor and the doctor said
“No more monkeys, jumping on the bed”

Tufty

I can see a little face
Peeking out at me
I wonder what she's thinking
My little Tufty

She's trying to decide
To stay in or come outside
Maybe she will go on
Her wheel and have a ride

I bought her a see-saw
And a tunnel with a door
Some monkey nuts and pet treats
Lots of things she can eat

I can see a little face
Peeking out at me
She's as dear, as dear can be
My little Tufty

Over In The Meadow

Over in the meadow, in the pond, in the sun
Lived an old mother froggy, with her little froggy son
 "Hop", said the mother
 "I hop", said the son
So he hopped and was glad, in the pond, in the sun

Over in the meadow, in the nest, in the tree
Lived an old mother birdie, with her little birdies three
 "Sing", said the mother
 "We sing", said the three
So they sang and were glad, in the nest, in the tree

Over in the meadow, in the sly little den
Lived an old mother spider and her little spiders ten
 "Spin", said the mother
 "We spin", said the ten
So they all spun together in their sly little den

Incy Wincy Spider

Incy Wincy spider
Climbing up the spout
Down came the rain
And washed poor Incy out

Out came the sun
And dried up all the rain
Then Incy Wincy spider
Climbed up the spout again

My Little Hamster Is Furry And Sweet

My little hamster's furry and sweet
Sometimes he eats the things we eat
Like sweetcorn and rice, banana and toast
But the food that I know he likes the most
Is his own special mix of nuts and grains
Nuts and grains, nuts and grains
His own special mix of nuts and grains
Nuts and grains

My little hamster loves to run around
When he's on his wheel, his feet don't touch the ground
He sleeps in his bed, most of the day
And when it is night time, he comes out to play
He comes out to play, he comes out to play
And when it is night time, he comes out to play
He comes out to play, he comes out to play
Play with me

Koala Koala

Koala, koala
You sweet little bear
Up in that old gum tree

Koala, koala
Oh, no one is more
Cuddly and sleepy than he

Koala, koala
What do you think
When you're away in your dreams
So quiet and peaceful
Silent and warmed
Up by the sun's sunbeams

Koala, koala
You sweet little bear
Up in that old gum tree

Wither shall I wander
Upstairs and downstairs
In my lady's chamber

The Kitten's In The Greenhouse

Playing with the flowers
He loves to pat the petals
For hours and hours and hours

Sometimes when I'm not looking
He hides inside a pot
And only pops his head out
When he is getting hot

The clock struck one
The mouse ran down
Hickory dickory dock

Monkey on the ground
Watch him jumping all around

There's a froggy on a stone
Froggy on a stone
Hopping mad 'cause he's all alone

Watch him flying way up high

Call him down after one, two, three

Little Bo Peep, has lost her sheep
And doesn't know where to find them

Bringing their tails behind them

But when she awoke, she found it a joke
For they were still a-fleeting

(repeat)

Five little speckled frogs
Sat on a speckled log
Eating some most delicious grub, yum yum
One jumped into the pool
Where it was nice and cool
Now there are four speckled frogs, glub glub
