Creepy Crawlies

Spiders always have eight legs
And spiderlings hatch out from eggs
And with their silk a web they weave
There's one crawling up your sleeve

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
There's a lot of creepy crawlies over here

Wasps and termites, ants and bees
Butterflies and tiny fleas
Centipedes, caterpillars too
There's one wriggling on your shoe

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
There's a lot of creepy crawlies over here

Creepy crawlies
Creepy crawlies
Creepy crawlies
Creepy crawlies
You never know where those bugs will next appear

Creepy crawlies
Creepy crawlies
Creepy creepy crawlies
Creepy creepy crawlies
There's a creepy crawly always somewhere near

Incy Wincy spider climbing up the spout

Slugs Lovely Slugs

(music)

Slugs, lovely slugs
King of the bugs, marvellous slugs
Slugs, crawling on rugs
Drinking from mugs, wonderful slugs

Slime, lovely slime
They leave behind, all of the time, so...
Slugs, give them a hug
Never say 'ugh', to wonderful slugs

(music)

Slime, lovely slime
They leave behind, all of the time

(music)

Snails, staggering snails
Leaving a trail, fabulous snails
Snails, harder than nails
Sliding down rails, excellent snails

Slime, lovely slime
They leave behind, all of the time, so...
Snails, tell them a tale
It never fails, to entertain snails

(music)

Slime, lovely slime
They leave behind, all of the time, so...
Snails, tell them a tale
It never fails, to entertain snails

The Wiggly Wiggly Song

(music)

I met a charming centipede, a-walking down the street
A friendly chap I have no doubt, he really is quite sweet
We talked about the sunshine, we talked about the rain
I said, 'Goodbye, I have to fly!' He said, 'I'll do the same', he went...

Wiggly wiggly wiggly wiggly, wiggly up and down
Wiggly wiggly wiggly wiggly, all around the town
Wiggly wiggly wiggly wiggly, marching up the street
Wiggly wiggly wiggly wiggly, what a lot of feet

(music)

I met a lovely millipede, a-walking down the way
A charming dame I have no doubt, quite pretty I must say
We talked about the sunshine, we talked about the rain
I said, 'Goodbye, I have to fly!' She said, 'I'll do the same', she went...

Wiggly wiggly wiggly wiggly, wiggly up and down
Wiggly wiggly wiggly wiggly, all around the town
Wiggly wiggly wiggly wiggly, marching up the street
Wiggly wiggly wiggly wiggly, what a lot of feet

(music)

I met a silly earthworm, a-walking down the lane
A cheeky gent I have no doubt, perhaps a little plain
We talked about the sunshine, we talked about the rain
I said, 'Goodbye, I have to fly!' He said, 'I'll do the same', he went...

Wiggly wiggly wiggly wiggly, wiggly up and down
Wiggly wiggly wiggly wiggly, all around the town
Wiggly wiggly wiggly wiggly, marching up the street
Wiggly wiggly wiggly but, he hasn't got any feet

He went..

Wiggly wiggly wiggly wiggly, wiggly up and down
Wiggly wiggly wiggly wiggly, all around the town
Wiggly wiggly wiggly wiggly, marching up the street
Wiggly wiggly wiggly but, he hasn't got any feet

(music)

One Grasshopper

(music)

One grasshopper jumped right over another grasshopper's back
And another grasshopper jumped right over that other grasshopper's back
A third grasshopper jumped right over the two grasshoppers' backs
And a fourth grasshopper jumped right over the other grasshoppers' backs

They were only playing leapfrog, they were only playing leapfrog
They were only playing leapfrog
When one grasshopper jumped right over the other grasshopper's back

One cicada jumped right over another cicada's back
And another cicada jumped right over that other cicada's back
A third cicada jumped right over the two cicadas' backs
And a fourth cicada jumped right over the other cicadas' backs

They were only playing leapfrog, they were only playing leapfrog
They were only playing leapfrog
When one cicada jumped right over, the other cicada's back

One grasshopper jumped right over another grasshopper's back
And another grasshopper jumped right over that other grasshopper's back
A third grasshopper jumped right over the two grasshoppers' backs
And a fourth grasshopper jumped right over the other grasshoppers' backs

They were only playing leapfrog, they were only playing leapfrog
They were only playing leapfrog
When one grasshopper jumped right over the other grasshopper's back

They were only playing leapfrog, they were only playing leapfrog
They were only playing leapfrog
When one grasshopper jumped right over the other grasshopper's back

Ladybird Ladybird

(music)

Ladybird, ladybird, fly away home
Your house is on fire
Your children all gone
All except one
And her name is Ann
For she crept under the frying pan

(music)

Ladybird, ladybird, fly away home
Your house is on fire
Your children all gone
All except one
And her name is Ann
For she crept under the frying pan

Little Miss Muffet

(music)

Little Miss Muffet sat on her tuffet
Eating her curds and whey
There came a great spider
Who sat down beside her
Which frightened Miss Muffet away

Little Miss Muffet sat on her tuffet
Eating her curds and whey
There came a great spider
Who sat down beside her
Which frightened Miss Muffet away

Shoo Fly

(music)

Shoo fly, don't bother me
Shoo fly, don't bother me
Shoo fly, don't bother me
For I belong to somebody

I feel, I feel, I feel like a morning star
I feel, I feel, I feel like a morning star

Shoo fly, don't bother me
Shoo fly, don't bother me
Shoo fly, don't bother me
For I belong to somebody

I feel, I feel, I feel like a morning star
I feel, I feel, I feel like a morning star

(music)

Shoo fly, don't bother me
Shoo fly, don't bother me

Shoo fly, don't bother me
Shoo fly, don't bother me
For I belong to somebody

I feel, I feel, I feel like a morning star
I feel, I feel, I feel like a morning star

(music)

Wriggly Worm

(music)

Underneath a stone where the earth was firm
There I found a wriggly wriggly worm
“Good morning”, I said, “How are you today?”
But the wriggly worm just wriggled away

(music)

There I found a wriggly wriggly worm

Norman The Naughty Gnat

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, wears a teeny tiny hat
He stole it from a passing flea

And all the other gnats in town
Follow naughty Norm around
You never know what Norm will do
Let's hope he doesn't do something to you

Norman, what a very naughty gnat
Please be nice to me

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, wears a beautiful cravat
He pinched it from a bumblebee

And all the other gnats will know
When naughty Norm is on the go
You never know what Norm will do
Let's hope he doesn't do something to you

Norman, what a very naughty gnat
Please be nice to me

(music)

Norman, what a very naughty gnat
A very naughty gnat is he
Norman, what a nasty spoilt brat
He's everybody's enemy

And all the other gnats get on
But Norman's always doing wrong
You never know what Norm will do
Let's hope he doesn't do something to you

Norman, what a very naughty gnat
Please be nice to me

(music)

We're The Wasps

One hot summer in Crawly Down
A million wasps flew into town
The people cried 'What can we do?'
'They sting, they dive, they hum, they chew'

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

The people met at the village hall
'The wasps must go but how?' they call
'A great big giant apple flan
Might trap the wasps', said the cake shop man

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

(music)

Everybody gave a hand
To make the biggest pie in the land
They sliced and spread the pastry quick
And spooned the apple chunks on thick

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

The trap was laid the wasps were near
The sticky filling would cost them dear
They fed but while they grew fat
A giant cake slice squashed them flat

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

The people cheered and danced around
No more wasps in Crawly Down
That may not be the end I fear
The wasps might come back again next year

We're the wasps, we're the wasps
We're the wasps and we're going to sting you
We're the wasps, we're the wasps
We're the wasps and we're going to sting you

The Caterpillar Song

There once was a baby caterpillar, green and covered in hair
He spied himself in a mirror, but didn't like what he saw there

Why don't I look like my handsome father? I should be like dad
I'm all small, he's so tall, his father smiled and said

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Weeks went by and nothing happened, day by day he grew
Little caterpillar cried, but his father knew

He said...

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Then one strange and different day, caterpillar fell asleep
Four weeks later he awoke, into the mirror peeped

Two fine wings were on his back, six long legs he had
Every colour in its place, all just like his dad

And he remembered...

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

Son, you'll be like me some day, you've just got to wait
Son, I love you just the way you are, just trust to fate

(music)

Pretty Firefly

Can you see the pretty firefly?
Hurrying across the night sky
Watch the orange trail she weaves tonight

Is she looking for a friend to talk to?
Share a little drink of honeydew
Then carry on her lonely nighttime flight

Is she searching for a safer homestead?
Somewhere she can rest her poor head
Firefly we won't hurt you come to us

You can be our lovely night-light
And we promise we will sleep tight
And dream that we can fly away with you

(music)

Is she searching for a safer homestead?
Somewhere she can rest her poor head
Firefly we won't hurt you come to us

You can be our lovely night-light
And we promise we will sleep tight
And dream that we can fly away with you

Dance The Busy Bee

Dance the busy bee
Dance the busy bee
Wiggle and jiggle along with me
Step it to the left and step it to the right
Dance the busy bee tonight

There's a new dance that's going down
It's the hottest boogie in our town
Swing into the spring, just the latest thing
Come and wipe away that frown
First you fly around like a honey bee
Flapping your wings, see it's easy
Buzzing all the while showing us your smile
Now it's time to party

Dance the busy bee
Dance the busy bee
Wiggle and jiggle along with me
Step it to the left and step it to the right
Dance the busy bee tonight

Now you're really moving to the beat
Stop and taste the nectar, ain't that sweet
Time to fly again, careful mind the rain
Hey the busy bee is neat

Dance the busy bee
Dance the busy bee
Wiggle and jiggle along with me
Step it to the left and step it to the right
Dance the busy bee tonight

(music)

Dance the busy bee
Dance the busy bee
Wiggle and jiggle along with me
Step it to the left and step it to the right
Dance the busy bee tonight

Dance the busy bee
Dance the busy bee
Wiggle and jiggle along with me
Step it to the left and step it to the right
Dance the busy bee tonight
